# McHenry Public Library District Board of Library Trustees Regular Meeting MINUTES

Date: Tuesday, October 21, 2025

**Time:** 7:00 p.m.

**Location**: Meeting Rooms #135 & #136

I. CALL TO ORDER - Charles Reilly, President

||. ROLL CALL - Monica Leccese, Secretary

A. Roll Call

Members Present: Bud Alexander, Monica Leccese, Jim O'Hagan, Charles Reilly,

Terry Weingart

Members Absent: Victor Jimenez Carrillo, Vickie Schutze

Also Present: Tom Coughlin, Governmental Accounting, Inc.

Lesley Jakacki, Executive Director Jennifer May, HR Generalist

Sandra Mendez Barradas, Administrative Assistant

Kathy Milfajt, Technical Services Manager

- III. PLEDGE OF ALLEGIANCE
- IV. CORRECTIONS OR ADDITIONS TO THE AGENDA
- V. PUBLIC COMMENT AND RECOGNITION OF VISITORS
- VI. SECRETARY'S REPORT Monica Leccese, Secretary

**A.** Approval of Minutes of the September 16, 2025, Regular Meeting.

Secretary Leccese stated that she reviewed the Minutes of the September 16, 2025, Regular Meeting and found no changes necessary.

O'Hagan moved, and Weingart seconded the motion to approve the Secretary's Report.

#### Roll Call Vote:

Ayes: Alexander, Leccese, O'Hagan

Nays: None

Abstain: Reilly, Weingart

Absent: Jimenez Carrillo, Schutze

**Motion Passed** 

#### VII. TREASURER'S REPORT – Terry Weingart, Treasurer

**A.** Quarterly Review of Finances with Tom Coughlin, Governmental Accounting, Inc.

Tom Coughlin from Governmental Accounting Inc. provided a quarterly review of the Library's finances to the Board. During the first quarter of the 2025/2026 fiscal year, the Library has brought in just over \$4 million in revenue (68% of budget), which is an increase of 6% from last year. Operating expenses to date were about \$738,000 (16% of budget), an increase of 15% from this time last year due to increased personnel costs. Capital expenses so far were \$16,341 and the current surplus is \$3,270,012. The ending fund balance is \$8,654,679. Tom stated that the library's financials overall are in good shape.

**B.** Approval of Monthly Financial Statements, Interim Check Report, and Bill Reports for September/October 2025, Additional Bills, and Petty Cash and Credit Card Reports

O'Hagan moved, and Leccesse seconded the motion to approve the Treasurer's Report.

#### Roll Call Vote:

Ayes: Alexander, Leccese, O'Hagan, Reilly, Weingart

Nays: None Abstain: None

Absent: Jimenez Carrillo, Schutze

**Motion Passed** 

#### VIII. COMMUNICATIONS

A. El Vado Mexican Restaurant - Recognition of Donation

Our Hispanic Outreach Committee dropped off flyers at many Hispanic owned businesses in McHenry to promote a resource fair they were doing during Hispanic Heritage Month. When they stopped at El Vado Mexican Restaurant, the owner gifted the committee two \$25 gift cards for them to use as raffle prizes to help encourage people to attend the event.

#### IX. LIBRARIAN'S REPORT

A. Librarian's Report

Director Jakacki shared that in the statistical infographic, there was an almost 30% increase in library card registrations, a 21% increase in physical item use, an 11% increase in library attendance and a 5% increase in use of e-materials compared to this time last year. There was a storytime that went viral on YouTube which helped increase our program attendance by 80%. Computer sessions went up by almost 15% and database sessions went up by 144%.

Director Jakacki shared the following updates from the Librarian's Report:

- With September being National Library Card Sign Up Month, one of the Library's big initiatives was to get out into the community and get more people to sign up for or renew their library card. We were at a variety of event and in total, we had 215 new library card sign ups and 252 library card renewals.
- Baker & Taylor, which is the Library's biggest book supplier and primary source for print materials, is closing. Staff have been working with other vendors.
- The Friends of the Library held their meeting on September 18. Board Vice President Alexander was in attendance to read the Board's Proclamation for the National Friends of the Library Week and expressed the Board's gratitude for all the Friends do to support the Library. The Friends discussed the upcoming book sale and appointed a new Vice President, Kaye Hathaway. They also generously voted to fund Library Lovers Expedition 2026 and our staff holiday appreciation luncheon.
- For the first time in years, Adult Services has volunteers working at the Library again to perform helpful tasks like shelf reading, program reminder calls, and pulling items for outreach services.
- Director Jakacki shared with the Board pictures from some of the Hispanic Heritage Month events we held.

#### **B.** Illinois Library Standards

- 1. Standard 4: Collection Management
- 2. Standard 6: Governance and Administration
- 3. Standard 7: Human Resources
- 4. Standard 8: Information Services

This is the replacement for the *Serving Our Public 4.0* standards. These are the standards we need to revise in order to apply for the Illinois Per Capita Grant annually. During the September Board meeting, Director Jakacki went over standards 1, 2, 3, and 5. The Library's management team also reviewed standards 4, 6,7, and 8, checked what they thought was applicable, and made a note of things that have been accomplished and things that still need to be worked on.

#### X. OLD BUSINESS

#### **A.** Capital Projects

Director Jakacki informed the Board that the main focus at the moment is trying to get everything together for the parking lot capital project. The Library has been working with the City of McHenry to go over exactly what they would need to see addressed for a parking lot rehab. The City inspector came out and went over the map from IDOT to review what changes were needed and how they would affect different areas of the Library.

John Shales, who is working on the building facilities plan, will be coming in with a few experts in different areas to do a full examination of the building, and, over the coming months, he will go over the improvement plan as he puts it together, which will help us understand the scope of repairs that the building will need over the next ten years.

#### XI. **NEW BUSINESS**

#### **A**. FY 2025/2026 Budget

1. Levy

Tom Coughlin presented the levy projections for the 2026-2027 fiscal year to the Board for their consideration. He stated that we built in a 2.9% CPI, with an additional EAV of over \$1.7 million, and new growth of about \$23 million. A 4.99% levy increase is recommended.

The Board reviewed a recent history of levy figures as well an estimated property tax calculation with a tax levy at 4.99% for the 2026-2027 fiscal year and will bring a 4.99% levy increase recommendation to the next Board meeting for approval.

#### B. Civil Engineering and Site Electrical Design Services Proposal

Proposal from Eriksson Engineering for the Civil Engineering and Site Electrical Design Services for the parking lot project. The proposal is to help prepare plans for the removal of the 9 easternmost parking spaces, relocation of the storm catch basin at the southeast corner, moving the curb and the gutter, replacement of the northwest parking lot, extending the concrete pad at the trash dumpster, removal and replacement of the light poles and fixtures on the north side of the main entrance, moving some of the ADA parking, restriping plans, and removal and replacement of all the surface and binder asphalt. John Shales, our capital project manager, looked at the proposal and said that it is in line with what he would expect of this type of proposal.

President Reilly stated that he would also like a proposal to be drafted for the movement of the monument sign. Upon further discussion the Board agreed that they would like to see both a proposal for the monument as well as a proposal for a topographical survey from Eriksson Engineering. Director Jakacki said that she would work on getting both proposals from them.

Alexander moved, and Weingart seconded the motion to approve the Civil Engineering and Site Electrical Design Services Proposal.

#### **Roll Call Vote:**

Ayes: Alexander, Leccese, O'Hagan, Reilly, Weingart

Nays: None Abstain: None

Absent: Jimenez Carrillo, Schutze

**Motion Passed** 

#### **C**. Policies

**1.** Employee Benefits

A revised statement that combines what was in our "Benefits Statement" and the "Employee Benefits" section in the Employee Manual.

2. Illinois Municipal Retirement Fund (IMRF)

The language in the policy was updated to be a lot more concise and easier to read.

#### 3. Workers' Compensation Insurance

The language in the policy was updated and policy and procedure areas where there were some redundancies were removed.

#### 4. Group Health Insurance

The language in the policy was updated and policy and procedure areas where there were some redundancies were removed.

#### **5.** Supplemental Health Insurance

The language in the policy was updated.

#### **6.** Life Insurance

Expanded information was added to the policy to state that employees can purchase additional life insurance on top of what the Library is already covering and that the plan is portable when leaving the Library's employ.

#### 7. Employee Assistance Program

The Library has had an Employee Assistance Program for six years; however, no official policy had been written yet. The proposed policy outlines the services the program provides and states that this is a voluntary program we offer at no cost to employees.

O'Hagan moved, and Weingart seconded the motion to approve all of the employee policies listed on the agenda.

#### Roll Call Vote:

Ayes: Alexander, Leccese, O'Hagan, Reilly, Weingart

Nays: None Abstain: None

Absent: Jimenez Carrillo, Schutze

**Motion Passed** 

#### XII. EXECUTIVE SESSION

Weingart moved, and Alexander seconded the motion to enter into an Executive (closed) Session at 8:29 p.m. for the following purpose:

To discuss the appointment, employment, compensation, discipline, performance or dismissal of specific employees of the public body in compliance with the Open Meetings Act 5 ILCS 120/2 section 2(c)(1).

#### Roll Call Vote:

Ayes: Alexander, Leccese, O'Hagan, Reilly, Weingart

Nays: None Abstain: None

Absent: Jimenez Carrillo, Schutze

**Motion Passed** 

Weingart moved, and Leccesse seconded the motion to leave Executive (closed) Session at 8:40 p.m.

#### Roll Call Vote:

Ayes: Alexander, Leccese, O'Hagan, Reilly, Weingart

Nays: None Abstain: None

Absent: Jimenez Carrillo, Schutze

**Motion Passed** 

#### XIII. ACTION TAKEN AS A RESULT OF EXECUTIVE SESSION

A. Executive Director Compensation

Weingart moved, and Leccese seconded the motion to approve the Executive Director's compensation of a 3% merit increase to base salary retroactive to anniversary date.

#### Roll Call Vote:

Ayes: Alexander, Leccese, O'Hagan, Reilly, Weingart

Nays: None Abstain: None

Absent: Jimenez Carrillo, Schutze

**Motion Passed** 

#### XIV. ANY AND ALL OTHER BUSINESS THAT MAY PROPERLY COME BEFORE THE BOARD

Director Jakacki provided the Board with a list of elected of officials in our district which trustee O'Hagan had requested at the previous Board meeting.

Every year, the Illinois Library Association holds library legislative meetups to encourage library officials, trustees, executive directors, and state legislators to come together to discuss issues affecting libraries. The meeting scheduled for our area will be on November 19, 2025, and Director Jakacki shared the invite with all Board members.

#### XV. ADJOURNMENT

Alexander moved, and Leccesse seconded the motion to adjourn the meeting at 8:45 p.m.

#### Roll Call Vote:

Ayes: Alexander, Leccese, O'Hagan, Reilly, Weingart

Nays: None

Abstain: None

Absent: Jimenez Carrillo, Schutze

**Motion Passed**

#### **Independent Auditors' Report**

To the Board of Trustees McHenry Public Library District McHenry County, Illinois

#### **Opinions**

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the McHenry Public Library District as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the McHenry Public Library District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the McHenry Public Library District, as of June 30, 2025, and the respective changes in financial position and cash flows, where applicable, thereof for the year ended in conformity with accounting principles generally accepted in the United States of America.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of McHenry Public Library District and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about McHenry Public Library District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of McHenry Public Library District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about McHenry Public Library District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, major fund budgetary schedules, and certain pension and post-employment benefit disclosures be presented to supplement the basic financial statements. Such information, although not part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquires, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

- 2 -

#### **Supplementary Information**

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the McHenry Public Library District basic financial statements. The combining and individual fund financial statements and schedules for non-major funds, and other non-required supplemental schedules as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial statements schedules for non-major funds and other non-required supplemental schedules as listed in the table of contents are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

#### **Other Information**

Management is responsible for the other information included within the audit report. The other information comprises of the introductory and statistical sections, as listed in the table of contents, but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

#### MCHENRY PUBLIC LIBRARY DISTRICT MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2025

As management of McHenry Public Library District (Library), we offer readers of the Library's statements this narrative overview and analysis of the financial activities of the Library for the fiscal year ended June 30, 2025.

#### **OVERVIEW OF THE FINANCIAL STATEMENTS**

This discussion and analysis is intended to serve as an introduction to the Library's basic financial statements. The Library's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

**Government-Wide Financial Statements** - The government-wide financial statements are designed to provide readers with a broad overview of the Library's finances, in a manner similar to a private-sector business.

The Statement of Net Position presents information on all of the Library's assets and deferred outflows of resources, less its liabilities and deferred inflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Library is improving or deteriorating.

The Statement of Activities presents information showing how the Library's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements present functions of the Library that are principally supported by taxes and intergovernmental revenues (governmental activities). The Library does not have any functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the Library include general government and library operations.

**Fund Financial Statements** - A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Library, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Library are governmental funds.

<u>Governmental Funds</u> - Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the Library's near-term financing decisions. Both the governmental fund Balance Sheet and the governmental fund Statement of Revenues, Expenditures, and Changes in Fund Balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The Library maintains three individual governmental funds. Information is presented separately in the governmental fund Balance Sheet and in the governmental fund Statement of Revenues, Expenditures, and Changes in Fund Balances for the General Fund, Special Reserve Fund, and Grant and Gift Fund, all of which are considered to be major funds.

The Library adopts an annual appropriated budget for the General Fund, Special Reserve Fund, and Grant and Gift Fund. A budgetary comparison schedule has been provided for each of these funds to demonstrate compliance with this budget.

**Notes to the Financial Statements** - The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

**Other Information** - In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning the Library's progress in meeting its obligation to provide as fully adequate as possible library services to its residents.

#### **GOVERNMENT-WIDE FINANCIAL ANALYSIS**

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the Library, assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$9,916,870 at the close of the most recent fiscal year. By far the largest portion of the Library's net position reflects its investment in capital assets (e.g., land, fine art, building, equipment and furnishings, and collection) less any related debt used to acquire those assets that is still outstanding. The Library uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending.

A condensed version of the Statement of Net Position at June 30, 2025 and 2024 follows:

McHenry Public Library District's Net Position

|                                      | Governmental Activities |    |            |  |  |
|--------------------------------------|-------------------------|----|------------|--|--|
|                                      | 2025                    |    | 2024       |  |  |
| Assets                               |                         |    |            |  |  |
| Current and Other Assets             | \$ 9,430,809            | \$ | 8,340,563  |  |  |
| Net Pension Asset – IMRF             | 0                       |    | 0          |  |  |
| Capital Assets                       | 5,313,769               |    | 5,155,889  |  |  |
| Total Assets                         | 14,744,578              |    | 13,496,452 |  |  |
| Deferred Outflows of Resources       |                         |    |            |  |  |
| Pension Expense - IMRF               | 268,557                 |    | 551,914    |  |  |
| Total Deferred Outflows of Resources | 268,557                 |    | 551,914    |  |  |
| Liabilities                          |                         |    |            |  |  |
| Long-Term Liabilities Outstanding    | 879,380                 |    | 1,077,546  |  |  |
| Current Liabilities                  | 207,876                 |    | 216,092    |  |  |
| Total Liabilities                    | 1,087,256               |    | 1,293,638  |  |  |
| Deferred Inflows of Resources        |                         |    |            |  |  |
| Unavailable Revenue - Property Taxes | 3,988,592               |    | 3,786,161  |  |  |
| Pension Revenue - IMRF               | 20,417                  |    | 3,970      |  |  |
| Total Deferred Inflows of Resources  | 4,009,009               |    | 3,790,131  |  |  |
| Net Position                         |                         |    |            |  |  |
| Investment in Capital Assets         | 5,313,769               |    | 5,155,889  |  |  |
| Restricted                           | -                       |    | -          |  |  |
| Unrestricted/(Deficit)               | 4,603,101               |    | 3,808,708  |  |  |
| Total Net Position                   | \$ 9,916,870            | \$ | 8,964,597  |  |  |

The balance of unrestricted net position, \$4,603,101, may be used to meet the Library's ongoing obligations to citizens and creditors.

The Library's net position increased by \$952,273 during the current fiscal year.

**Governmental Activities** - Governmental activities increased the Library's net position by \$966,430. Key elements of this increase are as follows:

McHenry Public Library District's Change in Net Position

|                                      | Governmental Activities |           |      |           |  |
|--------------------------------------|-------------------------|-----------|------|-----------|--|
|                                      |                         | 2025      | 2024 |           |  |
| Revenues                             |                         |           |      |           |  |
| Program Revenues                     |                         |           |      |           |  |
| Charges for Services                 | \$                      | 49,655    | \$   | 53,525    |  |

| Total General Revenues and Transfers |                         | 4,092,167 |      | 3,793,832 |  |
| Expenses                             |                         |           |      |           |  |
| General Government                   |                         | 123,017   |      | 108,271   |  |
| Library Operations                   |                         | 3,154,850 |      | 2,852,118 |  |
| Total Expenses                       |                         | 3,277,867 |      | 2,960,389 |  |
| Increase/(Decrease) in Net Position  |                         | 952,273   |      | 966,430   |  |
| Net Position - Beginning             |                         | 8,964,597 |      | 7,998,167 |  |
| Net Position Adjustment              |                         | 0         |      | 0         |  |
| Net Position - Ending                | \$                      | 9,916,870 | \$   | 8,964,597 |  |

- Total revenues increased \$298,335 from the prior year mainly due to the increase of Operating Grants and Contributions, Property Taxes, Developer Fees, and Other Revenues.
- ➤ Total expenses increased \$317,478 from the prior year, which was mainly attributable to the increase in Library Operations of \$302,732. This includes increases in the various areas in comparison to the prior year.

#### FINANCIAL ANALYSIS OF THE LIBRARY'S FUNDS

As noted earlier, the Library uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

**Governmental Funds** - The focus of the Library's governmental funds is to provide information on nearterm inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Library's financing requirements. In particular, unassigned fund balance may serve as a useful measure of the Library's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the Library's governmental funds reported combined ending fund balances of \$5,278,231.

The General Fund is the chief operating fund of the Library. At the end of the current fiscal year, unassigned fund balance of the General Fund was \$2,004,333. The total fund balance of the Library's General Fund decreased by \$508,715, which includes an interfund transfer of \$(1,650,000).

The Special Reserve Fund has a total fund balance of \$2,718,663. The Special Reserve Fund reports a \$1,413,427 increase in fund balance which includes an interfund transfer of \$1,650,000.

The Grant and Gift Fund has a total fund balance of \$555,235. The Grant and Gift Fund reports a \$35,209 increase in fund balance. The Library received more gifts and donations during the year.

#### GENERAL FUND BUDGETARY HIGHLIGHTS

The Library did not amend its budget for the fiscal year ended June 30, 2025; therefore, the amounts shown as original and final budget are the same.

Significant differences between the budget and the actual revenues and expenditures are summarized as follows:

- ➤ The difference between the estimated revenues and the actual revenues for all funds was \$592,021 (unfavorable) and was primarily attributable to collecting less than anticipated property taxes, impact fees and grants/donations.
- ➤ The difference between the estimated expenditures and the actual expenditures for all funds was \$1,850,406 (favorable) and was primarily attributable to less than expected library general government, library operations, and capital outlay expenditures.

#### CAPITAL ASSET AND DEBT ADMINISTRATION

**Capital Assets** - The Library's investment in capital assets for its governmental activities as of June 30, 2025 amounts to \$5,313,769 (net of accumulated depreciation). This investment in capital assets includes land, parking lot, fine art, building, landscaping, equipment and furnishings, and collection. The Library reports a \$157,880 change in the Library's investment in capital assets i.e. capital asset acquisitions less depreciation expense.

The following table presents a summary of capital assets for the years ended June 30, 2025 and 2024:

McHenry Public Library District's Capital Assets (net of depreciation)

|                           | Governmental Activities |           |    |           |  |
|---------------------------|-------------------------|-----------|----|-----------|--|
|                           |                         | 2025      |    | 2024      |  |
| Land                      | \$                      | 1,245,836 | \$ | 1,245,836 |  |

| Parking Lot               |                         | 128,385   |    | 146,785   |  |
| Building                  |                         | 2,786,133 |    | 2,494,224 |  |
| Landscaping               |                         | 4,219     |    | 4,952     |  |
| Equipment and Furnishings |                         | 209,725   |    | 247,412   |  |
| Collection                |                         | 920,871   |    | 998,080   |  |
| Total                     |                         | 5,313,769 | \$ | 5,155,889 |  |
|                           |                         |           |    |           |  |

Additional information on the Library's capital assets can be found in Note 4 to the financial statements.

The Library had no outstanding debt as of June 30, 2025.

#### **ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES**

The equalized assessed valuation (EAV) for the Library for tax year 2024 is \$1,596,592,637. This represents an EAV increase of \$187,919,409 (13.3%) from the prior year. This increase will affect the calculation of the Library's property tax revenue and was considered in preparing the Library's budget for the 2026 fiscal year.

#### **REQUESTS FOR INFORMATION**

This financial report is designed to provide a general overview of McHenry Public Library District's finances for all those with an interest in the Library's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Executive Director, McHenry Public Library District, 809 North Front Street, McHenry, IL 60050-5578.

# Reconciliation of Fund Balances of the Governmental Funds to the Governmental Activities in the Statement of Net Position June 30, 2025

Reconciliation of the Balance Sheet - Governmental Funds to the Statement of Net Position:

Amounts reported in the Statement of Net Position are different because:

Fund Balance - Balance Sheet of Governmental Funds 5,278,231

Capital assets used in governmental activities are not financial

resources and, therefore, are not reported in the funds. 5,313,769

Other long-term assets are not available to pay for current-period expenditures and, therefore, are reported as unavailable revenue in the funds:

Deferred items related to changes in pension assumptions and differences between expected and actual pension plan experience:

Deferred Outflows - IMRF 268,557

Long-term liabilities, including notes and capital leases payable, are not due and payable in the current period and, therefore, are not reported in the funds:

Compensated Absences (43,890) Net OPEB Liability (59,159)

Net Pension Liability - IMRF (820,221)

Deferred items related to difference between projected and actual earnings on pension plan investments and difference between expected and actual pension plan experience:

Deferred Inflows - IMRF (20,417)

Net Position of Governmental Activities \$ 9,916,870

# Reconciliation of the Statement of Revenues, Expenditures, and Changes in Fund Balances of the Governmental Funds to the Governmental Activities in the Statement of Activities For the Year Ended June 30, 2025

Net Change in Fund Balances - Total Governmental Funds

939,921

Amounts reported for governmental activities in the Statement of Activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense:

| Capital outlays      | (459,948) |
|----------------------|-----------|
| Depreciation expense | 617,828   |

Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds:

Change in the following deferred items related to pension investment experience, changes in pension assumptions, and difference between expected and actual pension plan experience:

| Deferred Outflows - IMRF | (283,357) |
|--------------------------|-----------|
| Deferred Outflows - OPER | 0         |

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds:

| Change in Compensated Absences                                                           | 1,982    |
|------------------------------------------------------------------------------------------|----------|
| Change in OPEB Liability                                                                 | 62,672   |
| Change in Net Pension Liability - IMRF                                                   | 89,622   |
| Change in the following deferred items related to difference between expected and actual |          |
| pension plan experience:                                                                 |          |
| Deferred Inflows - IMRF                                                                  | (16,447) |
| D.C. J.I.C. ODED                                                                         | 0        |

| Change in Net Position of Governmental Activities | \$<br>952,273 |

#### 1. Summary of Significant Accounting Policies

The McHenry Public Library District (the "District") is incorporated in McHenry County, Illinois. The District provides a variety of library services to its residents. Through its collections, services, programs, and policies, the District aspires to be an equitable, diverse, inclusive community resource that strives to meet the needs of all community members. The District operates under the trustee-director form of government.

The financial statements of the District, have been prepared in conformity with Generally Accepted Accounting Principles as applied to local governments. The Governmental Accounting Standards Board is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the District's accounting policies are described below:

#### **Financial Reporting Entity**

The accompanying financial statements present the District's primary government and any component units over which the District exercises significant influence. Significant influence or accountability is based primarily on operational or financial relationships with the District (as distinct from legal relationships). Management has considered all potential component units and has determined that there are no entities outside of the primary government that should be blended into or discretely presented with the District's financial statements.

#### Government-Wide Financial Statements

The government-wide financial statements include the statement of net position and the statement of activities. Government-wide statements report information on all of the activities of the District as a whole (except for fiduciary activities) and distinguish between the governmental and business-type activities of the District. Governmental activities, which are normally supported by taxes and governmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

As a general rule the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are payments in lieu of taxes where the amounts are reasonably equivalent in value to the interfund services provided and other charges between the government's library operations function and various other functions of the government. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

The statement of activities demonstrates the degree to which the direct expenses of a given function are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function. Program revenues include: 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported as general revenues.

#### **Fund Financial Statements**

Separate fund financial statements are provided for governmental funds and proprietary funds. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements. Non-major funds include non-major Special Revenue funds and non-major Capital Projects funds. The combined amounts for these funds are reflected in a single column titled "Other Governmental Funds" in the fund Balance Sheet and Statement of Revenues, Expenditures, and Changes in Fund Balances. Detailed statements for non-major funds are presented with Combining and Individual Fund Statements and Schedules in the supplemental schedules of the financial statements.

Funds are organized as major funds or non-major funds within the governmental statements. An emphasis is placed on major funds within the governmental category. A fund is considered major if it is the primary operating fund of the entity or meets the following criteria:

Total assets and deferred outflows, liabilities and deferred inflows, revenues or expenditures and expenses of the individual governmental fund or enterprise fund are at least ten percent of the corresponding total for all funds of that category or type and;

Total assets and deferred outflows, liabilities and deferred inflows, revenues or expenditures and expenses of the individual governmental or enterprise fund are at least five percent of the corresponding total for all governmental and enterprise funds combined.

#### Measurement Focus and Basis of Accounting

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund financial statements when applicable. Revenues are recognized when earned and expenses are recognized when a liability is incurred, regardless of the timing of the related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental funds are those which governmental functions of the District finance. The acquisition, use, and balances of the District's expendable resources and the related liabilities are accounted for through governmental funds. Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government does *not* consider revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recognized when a liability is incurred, as under accrual accounting. However, debt service expenditures as well as expenditures related to compensated absences, claims, and judgments are reported only when payment is due. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt are reported as other financing sources.

#### Measurement Focus and Basis of Accounting (Continued)

Property taxes, fees, licenses, charges for service, amounts due from other governments, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period if applicable. Charges for sales and services and miscellaneous revenues are generally recorded as revenue when received in cash because they are generally not measurable until actually received.

#### Basis of Presentation

The accounts of the District are organized and operated on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts. The various funds are summarized by type within the financial statements.

The District reports the following major governmental funds:

The <u>General Fund</u> is the primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund. Expenditures from this fund provide basic District services, such as such as finance and data processing, personnel, and general administration of the District. Revenue sources include taxes, which include property taxes, interest income and other income.

The <u>Capital Projects Fund</u>, also referred to as the Special Reserve Fund, accounts for the District's financial resources that are restricted, committed, or assigned to expenditure for capital outlays such as building improvements and land acquisitions.

The <u>Grant and Gift Fund</u>, a special revenue fund, accounts for activity related to the District's donations and per capita grant.

The District reports no non-major governmental funds.

Fiduciary fund level financial statements are custodial in nature and are merely clearing accounts for assets held by the District as an agent for individuals, private organization, or other governments. Fiduciary funds are excluded from government-wide financial statements. The District reports no fiduciary funds.

Proprietary fund level financial statements are used to account for activities, which are similar to those found in the private-sector. The measurement focus is upon determination of net income, financial position, and cash flows. The District reports no proprietary funds.

#### Basis of Presentation (Continued)

When applicable, on the proprietary fund financial statements, operating revenues are those that flow directly from the operations of the activity, i.e., charges to customers or users who purchase or use the goods or services of that activity. Operating expenses are those that are incurred to provide those goods or services. Non-operating revenues and expenses are items such as investment income and interest expense that are not a result of the direct operations of the activity.

#### Cash and Investments

For purpose of the Statement of Net Position, the District's cash and cash equivalents are considered to be cash on hand, demand deposits, and cash with fiscal agent. Investments are reported at fair value. Short-term investments are reported at cost, which approximates fair value. Securities traded on national exchanges are valued at the last reported sales price. Investments that do not have any established market, if any, are reported at estimated fair value.

#### Pooled Cash

Cash resources of the individual governmental fund types are combined to form a pool of cash and, when applicable, investments. At June 30, 2025, the District's cash was deposited in demand accounts and money market savings accounts.

#### **Interfund Activity**

During the course of normal operations, the District has transactions between funds, including expenditures and transfers of resources to provide services and construct assets. Legally authorized transfers are treated as transfers and are included in the results of operations of Governmental Funds and, when applicable, Proprietary Funds. Transactions between funds that are representative of cash overdrafts from pooled cash and investing are reported as interfund receivables or payables. Short-term amounts owed between funds are classified as "Due to/from other funds".

#### Receivables

Receivables consist of all revenues earned at year-end that are not yet received as of June 30, 2025. Major receivable balances for governmental activities include property taxes. The District carries its receivables at cost less an allowance for doubtful accounts. On a periodic basis, the District evaluates its receivables and establishes the amount of its allowance for doubtful accounts based on a history of past write-offs and collections. The allowance for doubtful accounts amounts to \$0 for property taxes receivable.

### Prepaid Items and Prepaid Expenditures

Payments made to vendors for services that will benefit periods beyond June 30, 2025 are recorded as prepaid items/expenditures using the consumption method of recognition.

#### <u>Inventory</u>

Inventory is valued at cost which approximates the lower of cost or net realizable value using the first-in/first-out (FIFO) method. The District reports no inventory as of June 30, 2025.

#### Deferred Revenue/Unearned Revenue

When applicable, the District reports unearned revenues on its Statement of Net Position and deferred revenues on its Governmental Funds Balance Sheet. For governmental fund financial statements, deferred revenues occur when a potential revenue does not meet both the "measurable" and "available" criteria for recognition in the current period or when resources are received by the District before it has a legal claim to them. In subsequent periods, when both revenue recognition criteria are met, or when the District has a legal claim to the resources, the liability for deferred revenue is removed from the Governmental Funds Balance Sheet and revenue is recognized accordingly.

#### Compensated Absences

Accumulated vacation, that is expected to be liquidated with expendable available financial resources, is reported as an expenditure and a fund liability of the governmental fund that will pay it. Accumulated vacation of proprietary funds, when applicable, is recorded as an expense and liability of those funds as the benefits accrue to employees. A liability for these amounts is reported in governmental funds only if they have matured, for example, as a result of employee resignations or retirements. The General Fund is used to liquidate the compensated absences liability.

Full-time District employees are entitled to paid vacation time in varying amounts based on years of service. Unused vacation time is payable upon resignation or retirement. The District's compensated absences liability at June 30, 2025 comprises of accumulated vacation amounting to \$43,890.

#### Capital Assets

Capital assets, which include land, buildings and improvements, equipment, and when applicable, infrastructure assets, are reported in the applicable government or business-type activities columns in the government-wide statements. Capital assets are defined as assets with a cost of \$1,000 or more. Capital assets are recorded at historical cost if purchased or constructed, or at estimated historical cost if actual historical cost is not available.

#### Capital Assets (Continued)

Donated capital assets, donated works of art and similar items, and capital assets received in a service arrangement are reported at acquisition value rather than fair value. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the asset's life are not capitalized. All reported capital assets are depreciated. Improvements are depreciated over the remaining useful lives of the related capital assets. Depreciation on all assets is computed using the straight-line method over the following estimated lives:

Building 10 - 50 Years
Collection 4 - 10 Years
Equipment and Furnishings 5 - 20 Years
Parking Lot 20 Years
Landscaping 20 Years

#### Finance Leases

Leases that span more than twelve months that are material in nature to the financial statements, and that do not transfer ownership are recognized as a right-of-use asset and finance lease liability. The right-of-use assets are measured at an amount equal to the present value of the related lease liability plus any lease payments made prior to the lease term, less lease incentives, and plus ancillary charges necessary to place the lease into service. The right-of-use assets are amortized on a straight-line basis over the life of the related lease. Finance leases that transfer ownership that are material in nature to the financial statements are recognized as capital assets at cost and a related lease liability. The District reports no finance leases.

#### Subscription-Based Information Technology Arrangements

A Subscription-Based Information Technology Arrangements ("SBITAs") is a contract that conveys control of the right to use another party's information technology software, alone or in combination with tangible capital assets, as specified in the contract for a period of time in an exchange or exchange-like transaction. SBITAs that span more than twelve months that are material in nature to the financial statements are recognized as a subscription right-of-use asset and subscription liability. The right-of-use assets are measured at an amount equal to the present value of the related subscription liability. The right-of-use assets are amortized on a straight-line basis over the life of the related subscription. The District reports no material long-term SBITAs.

#### **Long-Term Liabilities**

Long-term debt is recognized as a liability of a governmental fund when due. For other long-term obligations, only that portion expected to be financed from expendable available financial resources is reported as a fund liability of a governmental fund. Long-term liabilities expected to be financed from proprietary fund operations, when applicable, are accounted for in those funds.

#### **Fund Balances**

In the fund financial statements, governmental funds report aggregate amounts for five classifications of fund balances based on the constraints imposed on the use of these resources.

Non-spendable fund balance - The non-spendable fund balance classification includes amounts that cannot be spent because they are either (a) not in spendable form - prepaid items or inventories; or (b) legally or contractually required to be maintained intact. The spendable portion of the fund balance comprises the remaining four classifications: restricted, committed, assigned, and unassigned.

Restricted fund balance - This classification reflects the constraints imposed on resources either (a) externally by creditors, grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed fund balance - Amounts can only be used for specific purposes pursuant to constraints imposed by ordinances of the District Board of Trustees - the government's highest level of decision-making authority. These committed amounts cannot be used for any other purpose unless the District Board of Trustees removes the specified use by ordinance. This classification also includes contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.

Assigned fund balance - This classification reflects assets constrained by the expressed written intent of the District Board of Trustees for ambulance services, capital equipment and/or capital projects.

*Unassigned fund balance* - This fund balance is the residual classification for the General Fund. It is also used to report negative fund balances in other governmental funds. When both restricted and unrestricted resources are available for use, it is the District's policy to use externally restricted resources first, then unrestricted resources - committed, assigned, and unassigned - in order as needed. The District does not have a stabilization policy established.

The District's flow of funds assumption prescribes that the funds with the highest level of constraint are expended first. If restricted or unrestricted funds are available for spending, the restricted funds are spent first. If different levels of unrestricted funds are available for spending, the District considers committed funds to be expended first followed by assigned and, lastly unassigned funds.

#### **Net Position Classifications**

In the government-wide financial statements, equity is shown as net position and classified into three components:

Net investment in capital assets - These amounts consist of capital assets net of accumulated depreciation and reduced by the outstanding balances of any bonds, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. Net investment in capital assets excludes unspent bond or other debt proceeds.

Restricted net position - These amounts consist of net position with constraints placed on its use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation. It is the District's policy to consider restricted net position to have been depleted before unrestricted net position is applied.

*Unrestricted net position* - These amounts consist of all other net position that does not meet the definition of "restricted" or "net investment in capital assets".

#### **Budgets**

The Board of Trustees follows these procedures in establishing the budget:

- 1. The Executive Director and budget committee prepare a proposed operating budget which is submitted to the Board of Trustees for their approval. The budget document is made available for public inspection for at least 30 days prior to Board action.
- 2. The Board of Trustees is required to hold at least one public hearing prior to passage of the annual Budget and Appropriation Ordinance. The budget is an estimate of actual expenditures and the appropriation represents the legal spending limit.
- 3. The Budget and Appropriation Ordinance must be enacted into law prior to the end of the first quarter of the fiscal year (September 30).
- 4. The Board of Trustees has the power to: Amend the Budget and Appropriation Ordinance in the same manner as its enactment, transfer between line items of any fund an amount not exceeding in the aggregate the total amount appropriated for that fund, and transfer any appropriation item it anticipates being unexpended to any other appropriation item.
- 5. Expenditures legally may not exceed the total appropriations at the fund level. All unspent budgetary amounts lapse at year-end. The budget information in the financial statements includes adjustments made during the year.

The budget is prepared for all funds on the same basis as the basic financial statements and is consistent with GAAP. The budget is derived from the annual Budget and Appropriation Ordinance of the District. All budgetary funds are controlled by an integrated budgetary accounting system in accordance, with various legal requirements, which govern the District.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Property Taxes**

Property taxes become an enforceable lien on property as of January 1. Taxes are levied each year and are payable in two installments, due in June and September of the following year. McHenry County bills and collects all property taxes and remits them to the District. The District recognizes property taxes in the year in which they attach as an enforceable lien and are available.

#### Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position includes a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net position that applies to a future period(s) and will not be recognized as an outflow of resources, or expenses/expenditures, until then. The District has deferred changes in proportion dealing with pensions and contributions made after the measurement date, and where applicable, deferred charges on refunding debt. These represent a consumption of net position that applies to future periods and is not recognized as an outflow of resources until then. In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net position that applies to a future period(s) and will not be recognized as an inflow of resources, or revenues, until that time. A deferred inflow of resources dealing with pension is reported for the differences between expected and actual experience, the net difference between projected and actual earnings on pension investments, and changes of assumptions.

#### 2. Deposits

#### **Deposits**

At June 30, 2025, the carrying amount of the District's demand deposits in financial institutions was \$7,258,103 and the bank balance is \$7,271,216.

#### Custodial Credit Risk - Deposits

In case of cash deposits, this is the risk that in the event of a bank failure, the District's deposits may not be returned to it. At June 30, 2025, all District bank deposits are insured or covered by collateral.

#### 3. Investments

#### Policies for Investments

It is the policy of the District to invest public funds in a manner to conform to all state and local statutes governing the investment of public funds; ensure prudent money management; provide for daily cash flow requirements; and meet the objectives, in priority order, of safety, liquidity, return on investment and public trust. The District's general credit risk policy is to apply the prudent person rule: Investments shall be made with the exercise of judgment and care, under circumstances then prevailing, which individuals of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital, as well as the probable income to be derived.

The District's investment policy permits the District to invest in: bonds, notes, certificates of indebtedness, treasury bills or other securities which are guaranteed by the full faith and credit of the United States of America as to principal and interest, bonds, notes debentures or similar obligations of the agencies of the United States of America; interest-bearing savings accounts, certificates of deposit, time deposits or other investment constituting direct obligations of a bank as defined by the Illinois Banking Act; short-term obligations (maturing within 180 days of dates of purchase) of corporations with assets exceeding \$500 million (such obligations must be rated at the time of purchase as AAA by at least two standard rating services); money market mutual funds registered under the Investment Company Act of 1940 which invest only in bonds, notes, certificates of indebtedness, treasury bills and other securities which are guaranteed by the full faith and credit of the United States of America as to principal and interest and agrees to repurchase such obligations; state and local government obligations or operated and administered by a bank and other securities as allowed by the Illinois Public Funds Investment Act.

#### Fair Value Measurements

Investments are generally reported at fair value. Short-term investments are reported at cost, which approximates fair value. For investments, the District categorizes fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

The District reports no investment balances at June 30, 2025.

#### 4. Capital Assets

Capital asset activity for the year ended June 30, 2025, consisted of the following:

|                                    | Balance |               |    |           |    | Balance     |               |             |
|------------------------------------|---------|---------------|----|-----------|----|-------------|---------------|-------------|
|                                    | Ju      | June 30, 2024 |    | Additions |    | Retirements | June 30, 2025 |             |
| Governmental Activities            |         |               |    |           |    |             |               |             |
| Assets Not Subject to Depreciation |         |               |    |           |    |             |               |             |
| Land                               | \$      | 1,245,836     | \$ | 0         | \$ | 0           | \$            | 1,245,836   |
| Fine Art                           |         | 18,600        |    | 0         |    | 0           |               | 18,600      |
| Assets Subject to Depreciation     |         |               |    |           |    |             |               |             |
| Building                           |         | 4,583,398     |    | 418,030   |    | 0           |               | 5,001,428   |
| Collection                         |         | 2,479,902     |    | 170,781   |    | (350,876)   |               | 2,299,807   |
| Equipment and Furnishings          |         | 1,592,128     |    | 29,017    |    | 0           |               | 1,621,145   |
| Parking Lot                        |         | 368,003       |    | 0         |    | 0           |               | 368,003     |
| Landscaping                        |         | 14,653        |    | 0         |    | 0           |               | 14,653      |
| Subtotal                           |         | 10,302,520    |    | 617,828   |    | (350,876)   |               | 10,569,472  |
| Less - Accumulated Depreciation    |         |               |    |           |    |             |               |             |
| Building                           |         | (2,089,174)   |    | (126,121) |    | 0           |               | (2,215,295) |
| Collection                         |         | (1,481,822)   |    | (247,990) |    | 350,876     |               | (1,378,936) |
| Equipment and Furnishings          |         | (1,344,716)   |    | (66,704)  |    | 0           |               | (1,411,420) |
| Parking Lot                        |         | (221,218)     |    | (18,400)  |    | 0           |               | (239,618)   |
| Landscaping                        |         | (9,701)       |    | (733)     |    | 0           |               | (10,434)    |
| Subtotal                           |         | (5,146,631)   |    | (459,948) |    | 350,876     |               | (5,255,703) |
| Net Capital Assets                 | \$      | 5,155,889     | \$ | 157,880   | \$ | 0           | \$            | 5,313,769   |

Depreciation expense was charged to the functions/programs of the primary government as follows:

<u>Governmental Activities</u> – Library Operations

\$ 459,948

## 5. Long-term Liabilities

The District enters into debt transactions to finance additions of machinery and equipment and major construction, improvements or land acquisitions. The District reports no debt commitments as of June 30, 2025. Other long-term liabilities activity is as follows:

|                             | Balance<br>June 30<br>2024 | a  | dditions<br>nd Other<br>Changes | R  | etirements | Balance<br>June 30<br>2025 | 7  | ount Due<br>Within<br>ne Year | Debt<br>Retired By<br>Fund |
|-----------------------------|----------------------------|----|---------------------------------|----|------------|----------------------------|----|-------------------------------|----------------------------|

#### 6. Compliance and Accountability

At June 30, 2025, none of the District's funds had deficit fund balances.

None of the District funds report an excess of actual expenditures over legally enacted budgeted amounts for the year ended June 30, 2025.

#### 7. Interfund Transactions

In general, transfers are used to (1) move revenues from the fund that collects the money to the fund that expends the money and (2) use unrestricted revenues collected in a fund to provide operating advances to other funds in accordance with budgetary authorizations.

At June 30, 2025, no interfund receivables and payables exist.

During the year ended June 30, 2025, the following transfers occurred:

|                  | Tra | ansfer from |    | Transfer to |
|------------------|-----|-------------|----|-------------|
| Fund             | O   | ther Funds  | (  | Other Funds |
| General          | \$  | 0           | \$ | 1,650,000   |
| Capital Projects |     | 1,650,000   | _  | 0           |
|                  | \$  | 1,650,000   | \$ | 1,650,000   |

#### 8. Risk Management

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters.

The District purchases commercial insurance to handle these risks of loss. During June 30, 2025, there were no significant reductions in insurance coverage for any category. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years. The District is insured under a retrospectively-rated policy for workers' compensation coverage. Whereas, the initial premium may be adjusted based on actual experience. Adjustments in premiums are recorded when paid or received. During the year ended June 30, 2025, there were no significant adjustments in premiums based on actual experience.

#### 9. Commitments and Contingencies

At June 30, 2025, the District had no material payable commitments and no contingencies with the exception of the general obligation bonds discussed in Note 5.

#### 10. Evaluation of Subsequent Events

The District has evaluated subsequent events through October 17, 2025, the date which the financial statements were available to be issued.

#### 11. Governmental Accounting Standards Board (GASB) Statements

#### Recently Implemented GASB Statements Relevant to the District

Statement No. 100, *Accounting Changes and Error Corrections*, issued in June 2022, was adopted by the District during the year ended June 30, 2025.

Statement No. 101, *Compensated Absences*, issued in June 2022, was adopted by the District during the year ended June 30, 2025.

#### Upcoming GASB Statements Relevant to the District

Statement No. 102, *Certain Risk Disclosures*, issued in December 2023, will be adopted by the District during the year ended June 30, 2026.

Statement No. 103, *Financial Reporting Model Improvements*, issued in April 2024, will be adopted by the District during the year ended June 30, 2027.

The District management has not yet determined the effect these Statements will have on the District's financial statements.

#### 12. Other Post-Employment Benefits

The net other postemployment health care benefits ("OPEB") liability reported on the statement of net position represents a liability to employees for OPEB. OPEB is a component of exchange transactions, between an employer and its employees, of salaries and benefits for employee services. OPEB are provided to an employee on a deferred-payment basis as part of the total compensation package offered by an employer for employee services each financial period. The obligation to sacrifice resources for OPEB is a present obligation because it was created as a result of employment exchanges that already have occurred.

The net OPEB liability represents the District's proportionate share of its OPEB plan's collective actuarial present value of projected benefit payments attributable to past periods of service, net of each OPEB plan's fiduciary net position. The net OPEB liability calculation is dependent on critical future (long-term) variables, including estimated average life expectancies, earnings on investments, cost of living adjustments and others. While these estimates use the best information available, unknowable future events require adjusting these estimates annually. GASB 75 assumes the liability is solely the obligation of the employer, because they benefit from employee services. OPEB contributions come from these employers and health care plan enrollees which pay a portion of the health care costs in the form of a monthly premium. The proportionate share of each plan's unfunded benefits is presented as a long-term net OPEB liability on the accrual basis of accounting. Any liability for the contractually-required OPEB contribution outstanding at the end of the year is included in due to other governments on both the accrual and modified accrual basis of accounting.

Plan Description. The District provides other postemployment health care benefits (OPEB) for retired employees through a single-employer defined benefit plan. The benefits, benefit levels, employee contributions and employer contributions are governed by the District and can be amended by the District through its personnel manual. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement No. 75. The plan does not issue a separate report. The plan's latest actuarial valuation is June 30, 2025.

Benefits Provided. The District provides continued health insurance coverage at the active employer rate to all eligible employees in accordance with ILCS, which creates an implicit subsidy of retiree health insurance. To be eligible for benefits, an employee must qualify for retirement under the District's retirement plan. Upon a retiree reaching age 65 years of age, Medicare becomes the primary insurer and the retiree is no longer eligible to participate in the plan but can purchase a Medicare supplement plan from the District's insurance provider. For certain disabled employees who qualify for health insurance benefits under the Public Safety Employee Benefits Act (PSEBA), the District is required to pay 100% of the cost of basic health insurance for the employee and their dependents for their lifetime.

Plan Description. The District's defined benefit pension plan for Regular employees provides retirement and disability benefits, post retirement increases, and death benefits to plan members and beneficiaries. The District plan is affiliated with the Illinois Municipal Retirement Fund (IMRF), an agent multiple-employer plan. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained on-line at www.imrf.org. The plan's latest actuarial valuation is December 31, 2024.

Benefits Provided. IMRF has three benefit plans. The vast majority of IMRF members participate in the Regular Plan (RP). Counties could adopt the Elected County Official (ECO) plan for officials elected prior to August 8, 2011 (the ECO plan was closed to new participants after that date). All three IMRF benefit plans have two tiers. Employees hired before January 1, 2011, are eligible for Tier 1 benefits. Tier 1 employees are vested for pension benefits when they have at least eight years of qualifying service credit. Tier 1 employees who retire at age 55 (at reduced benefits) or after age 60 (at full benefits) with eight years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any consecutive 48 months within the last 10 years of service, divided by 48. Under Tier 1, the pension is increased by 3% of the original amount on January 1 every year after retirement. Employees hired on or after January 1, 2011, are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating employees who retire at age 62 (at reduced benefits) or after age 67 (at full benefits) with ten years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 96 consecutive months within the last 10 years of service, divided by 96. Under Tier 2, the pension is increased on January 1 every year after retirement, upon reaching age 67, by the lesser of 3% of the original pension amount, or 1/2 of the increase in the Consumer Price Index of the original pension amount.

Funding Policy. As set by statute, the District Regular plan members are required to contribute 4.50 percent of their annual covered salary. The statutes require employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The employer contribution rate from fiscal year 2025 was 9.97 percent of annual covered payroll. The District also contributes for disability benefits, death benefits and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by the IMRF Board of Commissioners, while the supplemental retirement benefits rate is set by statute.

Annual Pension Cost. The required contribution for the fiscal year 2025 was \$140,240.

The single discount rate is calculated in accordance with GASB Statement No. 68. GASB Statement No. 68 includes a specific requirement for the discount rate that is used for the purpose of the measurement of the Total Pension Liability. This rate considers the ability of the fund to meet benefit obligations in the future. To make this determination, employer contributions, employee contributions, benefit payments, expenses and investment returns are projected into the future. The Plan Net Position (assets) in future years can then be determined and compared to its obligation to make benefit payments in those years. As long as assets are projected to be on hand in a future year, the assumed valuation discount rate is used. In years where assets are not projected to be sufficient to meet benefit payments, the use of a "risk-free" rate is required, as described in the following paragraph. The single discount rate (SDR) is equivalent to applying these two rates to the benefits that are projected to be paid during the different time periods. The SDR reflects (1) the long-term expected rate of return on pension plan investments (during the period in which the fiduciary net position is projected to be sufficient to pay benefits) and (2) tax-exempt municipal bond rate based on an index of 20-year general obligation bonds with an average AA credit rating (which is published by the Federal Reserve) as of the measurement date (to the extent that the contributions for use with the long-term expected rate of return are not met). For the purpose of this valuation, the expected rate of return on pension plan investments is 7.25%; the municipal bond rate is 4.08%; and the resulting single discount rate is 7.25%.

## Sensitivity of Net Pension Liability/(Asset) to the Single Discount Rate Assumption

|                               | Current Single Discount |            |      |              |    |            |  |  |

Summary of Actuarial Methods and Assumptions Used in the Calculation of the Total Pension Liability

#### Methods and Assumptions Used to Determine Total Pension Liability:

Actuarial Cost Method Entry-Age Normal
Asset Valuation Method Market Value of Assets

Price Inflation 2.25%

Salary Increases 2.75% to 13.75%

Investment Rate of Return 7.25%

Retirement Age Experience-based table of rates that are specific to the type of

eligibility condition. Last updated for the 2020 valuation pursuant

to an experience study of the period 2017-2019.

Mortality For non-disabled retirees, the Pub-2010, Amount-Weighted,

below-median income, General, Retiree, Male (adjusted 106%) and Female (adjusted 105%) tables, and future mortality improvements projected using scale MP-2020. For disabled retirees, the Pub-2010, Amount-Weighted, below-median income, General, Disabled Retiree, Male and Female (both unadjusted) tables, and future mortality improvements projected using scale MP-2020. For active members, the Pub-2010, Amount-Weighted, below-median income, General, Employee, Male and Female (both unadjusted) tables, and future mortality improvements

projected using scale MP-2020.

Other Information: There were no benefit changes during the year.

ORDINANCE NO. 2025/2026-03
AN ORDINANCE PROVIDING FOR THE LEVY
AND ASSESSMENT OF TAXES
FOR THE FISCAL YEAR BEGINNING JULY 1, 2025
AND ENDING JUNE 30, 2026,
FOR THE MCHENRY PUBLIC LIBRARY DISTRICT
MCHENRY, MCHENRY COUNTY, ILLINOIS

WHEREAS, applicable statutes authorize the Board of Trustees to levy taxes for library purposes,

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Library Trustees of the McHENRY PUBLIC LIBRARY DISTRICT, McHENRY, McHENRY COUNTY ILLINOIS, as follows:

<u>Section One:</u> Ordinance No. 2025/2026-02 Combined Annual Budget And Appropriation Ordinance For The McHenry Public Library District For The Fiscal Year Beginning July 1, 2025 and Ending June 30, 2026, passed by the Board on August 19, 2025, is incorporated by reference

<u>Section Two.</u> A tax in the sum of \$4,175,172.45 is levied upon all taxable property with the Library District, said tax levied to defray expenses and liabilities of the Library District for the fiscal year beginning July 1, 2025 and ending June 30, 2026, for the specific objects and purposes indicated as follows:

# CERTIFICATE OF COMPLIANCE WITH THE TRUTH IN TAXATION ACT

| I, Monica Leccese, the duly qualified and acting Secretary of the McHENRY PUBLIC LIBRARY DISTRICT, McHenry, McHenry County, Illinois, HEREBY CERTIFY that the Levy Ordinance adopted on November 18, 2025, complies with the provisions of the Truth in Taxation Law 35 ILC 200/18-55 et seq. in that the Library District's aggregate levy does not exceed a 5% increase over the prior year's extension and a notice and a hearing were not necessary.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | S  |

# Library Cards And Borrowing Privileges - Staff-REVISED

(Approved 09/2014; Revised XX/XX/2025)

#### Staff Card for Personal Use

A McHenry Public Library District (MPLD) card is issued to each active employee upon employment at the Library for personal use as a courtesy. Staff who currently reside in the district and have an MPLD card will be given a staff designation. The staff designation cannot be assigned to anyone other than the employee.

Library employees are subject to the same borrowing limits, holds, and fine and fee rules that govern public patrons. Staff may not use their knowledge of library operations to circumvent normal borrowing restrictions. Prohibited conduct includes extending loan periods, manipulating hold queues, exceeding renewal limits, taking materials without checking them out, removing unprocessed materials from Technical Services shelves, overriding blocks, or waiving associated fines and fees.

Materials for personal use should be taken to the Circulation Services Desk or self-check for proper checkout. Circulation Services staff should ask another department member to check out their materials or use a self-check station.

Overdue fines are waived for all actively employed staff, though overdue notices will continue to be sent. When materials remain overdue for two or more months, the library will take appropriate action to recover them. Fees for lost or damaged materials will still be charged in accordance with current policy.

Staff members who abuse borrowing privileges are subject to MPLD's Disciplinary Policy. The Executive Director may revoke privileges, including the no-fines benefit, on a case-by-case basis.

When an employee leaves the Library's employ, all checked-out materials must be returned by their last day of employment, and all fines and fees must be paid (either at termination or through paycheck deduction). The staff designation will be removed on the employee's last day. Former employees who are current district residents may retain their library cards as resident borrowers; non-residents' cards will be revoked.

#### Staff and Department Work Use Cards

Selected staff and departments are issued library cards for work-related activities such as collection management, preparing displays and bibliographies, and program and outreach activities. These cards may not be used for personal borrowing. Department managers should consider item popularity and potential patron disruption when scheduling these projects. Staff and department work use cards must be requested by the department manager and returned upon the employee's termination. All materials must be checked out using a staff or departmental card and are generally kept at the library for job-related purposes. Managers must approve any extended loan periods for items checked out to these cards.

# Library Cards And Borrowing Privileges - Staff-CURRENT

#### **Policy**

Employees who are residents of the MPLD shall generally use their personal library card for borrowing most materials. Employees who are residents of another library service area are generally required to use the card from their home library for most materials. Employees who do not reside in a library service area may request a temporary personal card for use as long as they remain an employee of the library.

#### **Guidelines And Practices For Implementation**

Temporary cards for staff residing in an area without library service must be returned to the department manager or Executive Director when an individual terminates employment. The same loan policies that govern the public shall govern the staff. All fines and fees are also generally paid when an individual terminates employment. An employee may opt to have any fines and fees deducted from their final paycheck.

#### **Staff Cards/Departmental Cards**

#### **Policy**

From time to time, a work-related project might require that an employee check out library materials for an extended period of time. These materials may be checked out on a departmental staff card.

#### **Guidelines And Practices For Implementation**

Examples include gathering materials for an upcoming display, preparing bibliographies and presenting book talks. In these instances, the employee should generally use a staff card or a departmental card. All materials used for work related projects must be checked out and are generally kept at the library for the employee's use in carrying out the responsibilities of their jobs. Department Managers are responsible for scheduling these projects and should take into account the popularity of the items used and any potential disruption to patron use of library materials when scheduling these projects. All staff cards and/or departmental cards should be requested in writing by the department manager and are to be returned to the department manager or Executive Director when an individual terminates employment. The employee's supervisor needs to approve extended loan periods for items checked out to a staff or departmental card.

#### **Borrowing Privileges - Staff**

#### **Policy**

The borrowing and fine rules that bind members of the public bind library employees.

#### **Guidelines And Practices For Implementation**

Staff must not use their knowledge of the library's operations to circumvent restrictions on normal borrowing privileges. Examples of such abuse include, but are not limited to: extending loan

periods, shuffling hold queues, exceeding limits on renewals, taking materials without checking them out, or taking unprocessed materials from the Technical Services shelves.

Materials for personal use should be taken to the Circulation Services Desk and checked out to the employee by a member of the Circulation Services staff. A staff member working in Circulation Services should generally ask another department member to check out their materials.

Any abuse of borrowing privileges will result in a written reprimand. Subsequent abuse may result in further disciplinary action including unpaid disciplinary leave and termination of employment.

#### Fines and Fees - Staff "No Fines Privilege"

Overdue fines will be waived for all actively employed staff of the MPLD. However, all staff will still receive overdue notices. When a staff member has an overdue that is two (2) months or more overdue, action will be taken to recover the materials plus possible loss of the "No Fines Privilege" as determined by the Executive Director on a case-by-case basis. Lost/damaged materials fees will still be assessed as per current policy.

#### **Employee Reserves**

#### **Policy**

Employees may place reserves on library materials but may not use their position to give themselves priority in the hold queue unless the priority has been approved by the department manager in conjunction with a work related project. Holds for work related projects approved by the employee's supervisor must be placed with a staff card or departmental card. All reserves for personal use or interest must be made using the employee's personal library card. Holds for staff members are kept in an area separate from holds for the public. Staff is expected to pick up holds promptly.

#### **MEMORANDUM**

**TO:** Library Board of Trustees

Stansbury, Youth Services Manager

DATE: November 12, 2025

RE: Proposal to Purchase Used Vehicle for Mobile Outreach Services Pilot Program

#### **Program Purpose**

I am writing to propose the purchase of a used cargo van, such as a Ford Transit or similar model, from the surplus market to start a pilot mobile outreach services program. This plan would let us test mobile library services for 2-3 years before investing significant funds in a custom-built outreach vehicle.

#### Background

Mobile library services have proven effective in reaching underserved populations, including homebound patrons, and areas without convenient library access. However, new commercial cargo vans suitable for conversion start at \$55,000 before any customization, and purpose-built bookmobiles can exceed \$200,000—representing substantial capital investments with limited flexibility if program needs change.

The library currently operates several outreach initiatives that would benefit immediately from a dedicated vehicle:

- Homebound delivery services delivering materials to patrons unable to visit the library
- Senior and assisted living center visits bringing collections and programming to residential facilities
- **Community event participation** transporting tents, chairs, tables, and outreach materials to festivals, fairs, and neighborhood events
- Programming equipment transport moving supplies for off-site programs and presentations
- **Fiesta Days Parade** will be featured in our parade entry, either towing the float or serving as a secondary vehicle for staff and supplies.

Staff currently use personal vehicles for these activities, resulting in ongoing mileage reimbursements and liability concerns, and the amount of supplies we need to take to various outreach events exceeds the capacity of many staff members' cars. A library-owned van would professionalize these services while providing the cargo capacity needed for efficient operations. The vehicle would also serve as a highly visible, mobile advertisement for the library. Branded with library graphics and messaging, it would increase community awareness everywhere it travels and act as a cost-effective promotional tool.

#### **Expanded Services**

Increase collection access - While not a full bookmobile, this would allow us to bring small parts of the

collection to specific outreach events for patrons to check out, such as picture and board books, to our summer Stories in the Parks events.

**Pop-up Library Stops** - Enables testing of pop-up Library Stops throughout the district for activities and checkouts before the Route 31 construction actually impacts access.

Lastly, our Building Services Department can utilize the van for equipment and supply pickups.

#### Proposal

Purchase a used commercial cargo van from government or commercial surplus auctions for approximately \$7,500-\$15,000.

Recommended vehicles include:

- Ford Transit (high roof, extended length)
- Mercedes Sprinter
- RAM ProMaster
- Chevrolet Express (extended van)

Target vehicles with under 175,000 miles and in good mechanical condition as verified by pre-purchase inspection.

Minimal initial modifications could include:

- Basic shelving units (removable)
- Ramp
- Secure storage containers for materials
- Wi-Fi hotspot equipment (Library already owns)
- Library branding/decals/wrap
- Safety equipment

# **Advantages of This Approach**

#### **Financially Responsible Investment**

- Reduces initial capital outlay by 67-82% compared to new vehicles, with potential savings of \$41,500-\$69,500
- Used surplus vans may already include shelving, partitions, or other modifications that align with our outreach needs.
- Reduces reliance on staff personal vehicles and associated mileage reimbursements
- A library-owned vehicle provides better liability protection than staff's personal vehicles.
- Funds saved can support programming, staffing, and collection development

#### **Operational Flexibility**

 Supports existing outreach programs immediately (homebound delivery, senior center visits, community events)

- Provides adequate cargo capacity for equipment, materials, and supplies
- Enables testing of pop-up Library Stops throughout the district for activities and checkouts
- Allows us to anticipate operational needs before the Route 31 construction project creates a barrier to visiting the library
- Determine actual space and equipment needs through real-world use
- Adjust or discontinue experimental programs without significant sunk costs
- Learn staff preferences and patron usage patterns
- Professional appearance enhances library visibility at community events

#### **Faster Implementation**

- New vehicle orders and customization require significant lead time and dealer availability.
- A used van could be operational within 1-2 months, especially if pre-equipped
- Begin serving patrons sooner and building community awareness

#### **Pilot Phase Benefits**

- Validates demand before major investment
- Identifies unforeseen operational challenges
- Tests seasonal usage patterns and maintenance requirements
- Provides data for grant applications and future funding requests

#### **Timeline**

- Months 1-3: Vehicle procurement and basic outfitting
- Months 3-30: Pilot program operation and assessment
- **Month 24:** Comprehensive program evaluation
- Months 30-36: Decision point for custom vehicle or program adjustment

# **Proposed Funding Sources**

The library has identified sufficient funding for this initiative without impacting operational budgets:

#### Kriese and Waldman Bequests (Grant and Gift Fund)

- Unrestricted funds available for library priorities
- The outreach van pilot represents a strategic investment in expanding community access
- Estimated allocation: \$20,000-\$30,000

#### Friends of the Library

- Preliminary discussions indicate potential funding assistance.
- Friends have historically supported community outreach initiatives
- Estimated contribution: \$5,000-\$10,000

This funding strategy ensures the pilot program proceeds without reducing resources for existing library services or collections.

#### **Budget Estimate**

| Item                                 | Estimated Cost             |
|--------------------------------------|----------------------------|
|                                      |                            |
| Used cargo van (surplus)             | \$7,500-\$15,000           |
| Additional modifications (if needed) | \$3,500-\$5,500            |
| Technology (Wi-Fi, laptop)           | \$0 (Library already owns) |
| Vehicle wrap/branding                | \$2,500-\$5,000            |
| Safety equipment/inspection          | \$1,500-\$3,500            |
| Pre-purchase mechanical inspection   | \$150-\$300                |
| Total Initial Investment             | \$15,150-\$29,300          |
|                                      |                            |
| Comparison:                          |                            |
| New Van (Ford Transit 250)           | \$55,000+ MSRP             |
| Plus customization                   | \$30,000-\$45,000          |
| Total New Vehicle Cost               | \$85,000-\$100,000         |
| Estimated Savings                    |                            |

**Annual operating costs:** approximately \$5,000-\$10,000. We budgeted \$5,500 this year in anticipation of making a purchase.

- Fuel: Uses regular gas; approx. 25-gallon tank with a combined mpg of around 16
  - o For reference, our longest outreach routes this year have been:
    - Visits to 6 assisted living facilities in one day, monthly: 9 miles round trip
    - Visits to 6 homebound residents in one day, monthly: 27 miles round trip
    - Wonder Lake Farmers Market: 17 miles round trip

#### • Maintenance and repairs:

- o Oil Change: \$100-\$250 (regular vs synthetic)
- o Other miscellaneous services: \$2,000-\$5,000 annually

#### • Title and registration:

- o If registered as a municipal vehicle, the registration is exempt from fees
- o If registered as a "B" Plate truck:
  - Newly acquired vehicle/first-time issuance: \$316 (\$165 title fee + \$151 registration fee)
  - Annual renewal: \$151
- Auto insurance and named drivers: Estimate pending

**Annual cost offset:** The library-owned vehicle will reduce our reliance on staff using personal vehicles for outreach events, significantly decreasing mileage reimbursement expenses. Current annual mileage reimbursements for outreach activities could be redirected to offset a portion of van operating costs.

## **Staff Drivers & Safety**

- Any staff member with a standard Illinois driver's license could drive this; no CDL required
- Drivers would be covered under the Library's Utica Auto Insurance Plan
- Staff drivers of library-owned vehicles must consent to a DMV records check as part of our Fleet Safety Policy and have a clean record. We already have copies of the driver's licenses of any staff member who drives for library business
- Our staff compliance training software includes driving modules that staff can complete to reinforce good driving practices

#### **Success Metrics**

The pilot program would be evaluated based on:

- Patron visits and circulation statistics
- Geographic coverage and community penetration
- Cost per patron served
- Staff feedback and operational efficiency
- Community feedback and demonstrated need
- Partnership opportunities identified

#### Recommendation

I request that the Library Board authorize staff to identify and purchase an appropriate surplus vehicle within the following parameters:

- Vehicle purchase budget: Not to exceed \$15,000
- **Total project budget:** Not to exceed \$35,000 (including modifications, equipment, and first-year operating costs)
- **Vehicle criteria:** Cargo van suitable for conversion, under 175,000 miles, and in acceptable mechanical condition as verified by a pre-purchase inspection

#### **Authorization for Timely Purchase**

Because surplus vehicles become available unpredictably and are often sold within days, I also request that the Board grant staff the authority to complete a purchase that meets the above criteria without requiring an additional Board meeting. Staff will provide complete documentation of any purchase at the meeting following the purchase. This approach enables timely acquisition, maintains fiscal responsibility, and supports data gathering needed for future decisions about long-term mobile services.

I welcome the opportunity to discuss this proposal in detail and answer any questions.

#### Attachment:

Example of a surplus vehicle listing of a currently listed vehicle that meets our criteria

# 2016 Ford Transit 250 – 3.7L V6 | RWD | Great Condition | **New Transmission**

R railslibraries.org/classifieds/123351

# **Listing Open**

For sale to any interested library, a well-maintained 2016 Ford Transit 250 with a 3.7L V6 engine and rear-wheel drive. This Ford Transit is in excellent mechanical condition and ready to work. Oil changes were performed at every service interval, along with general preventative maintenance when recommended by Ford Dealership. The decals on the van will be included from the previous use of the Barrington Area Library and must be removed by the buyer.

#### Photos of 2016 Ford Transit 250 – 3.7L V6

Asking Price: \$7,500 or Best Offer. Offers may be submitted through November 19, 2025.

#### **Vehicle Details**

• Year: 2016

• Make/Model: Ford Transit 250

• **Engine**: 3.7L V6

• **Transmission:** Automatic (New transmission installed early 2025)

• **Drivetrain:** Rear-Wheel Drive (RWD)

• Exterior Color: Black

11/18/2025

• Interior: Gray cloth

Title: CleanMileage: 165K

• Tires: Purchasedin2025 with 9/32" on all 4 tires

# **Key Features**

- 3.7L V6 engine.
- Automatic transmission. (brand new in 2025)
- Power windows, locks, and mirrors.
- Bluetooth, USB, AUX connectivity, and Power Inverter.
- Backup camera.
- A/C and Heat in the front cab and rear cargo.
- Installed front cab bulkhead with door to rear cargo for climate control comfort.
- Cruise control.
- ✓ Large, clean cargo area with metal shelves ideal for tools, equipment, or upfitting.
- Grey cloth seats.

To: Board of Trustees

From: Lesley Jakacki, Executive Director

Re: City of McHenry Investigation of Two Tax Increment Financing (TIF) Districts

Date: November 18, 2025

This memo is to inform the Board that the City of McHenry is investigating the establishment of two Tax Increment Financing (TIF) districts within our library district boundaries. There is an active TIF district in downtown McHenry that will expire in 2037.

#### **Background**

The City has shared preliminary information (following) with all local taxing bodies, including the library district, regarding the TIF investigation process. At this stage, they are evaluating the feasibility and potential parameters of these districts.

#### **Next Steps**

If the City decides to move forward with the TIF districts, they will formally request the Library Board's support. The Board will need to review the proposed district plans and determine whether to provide written support.

#### **Financial Impact**

TIF districts freeze the assessed value of property within the district boundaries at the current level for all taxing bodies. For up to 23 years, any increase in property tax revenue from new development or property value appreciation within the TIF districts would be redirected to fund the TIF projects rather than flowing to the library district's general revenue.

This means the library district would not receive incremental tax revenue from developed property within these TIF districts during the life of the agreements.

#### **Recommendation**

The Board should be prepared to stay informed on the proposed TIF district plans, ask questions, and carefully review the proposed TIF district plans when formally presented, including:

- The specific boundaries and properties involved
- The projected development and timeline
- The estimated impact on library district revenues
- The public benefits of the proposed development

No action is required at this time. I will keep the Board informed as the City provides additional information. I encourage the Board to stay engaged and share any questions or concerns regarding the TIF districts as we move forward.

Lesley Jakacki McHenry Public Library District 809 Front Street McHenry, IL 60050

Re: City Council Approval – TIF Eligibility Study with Teska Associates, Inc.

Dear Lesley:

At its meeting on October 20, 2025, the City Council authorized the approval of a Professional Services Agreement with Teska Associates, Inc. to conduct a Tax Increment Financing (TIF) Eligibility Study for the two designated areas shown on Exhibit A (attached).

This represents the initial phase of the process to determine whether these areas qualify as blighted or conservation areas in accordance with the Illinois Tax Increment Allocation Redevelopment Act.

For your reference, I've attached the materials that were presented to the City Council, as well as the appproved minutes from that meeting.

If you have any questions or need additional information, please don't hesitate to contact me.

Best Regards,

Douglas P. Martin

Director of Economic Development

Main Street, West Illinois Route 120 Corridor and Elm Street Redevelopment Project Area: Includes Downtown Main Street south to Mill Street, east past Front Street and west past Crystal Lake Road, taking in Boone Creek Plaza and McHenry Market Place Shopping Centers and various commercial properties located along Illinois Route 120 to just west of Ringwood Road, and also east along Elm Street past the intersection of Illinois Route 120 and Illinois Route 31 (South Front Street), extending south along Front Street immediately south of Lillian Street and to the east along Elm Street, connecting to the City's existing Downtown TIF District along Elm Street on the north side at Verlo Mattress west of Millstream Drive and on the south side immediately west of Third Street.

# MINUTES REGULAR CITY COUNCIL MEETING Monday, October 20, 2025, 7:00 p.m. City Council Chambers, 333 S Green St, McHenry, IL 60050

Roll Call: Mayor Jett opened with the roll call.

Members present: Alderwoman Baehne, Alderman Glab, Alderman Doherty, Alderwoman Bassi, Alderman Davis, Alderman Koch-absent, Alderwoman Miller, and Mayor Jett. Others present: Attorney McArdle, Administrator Ostrovsky, Director of Community Development Polerecky, Finance Director Lynch-absent, Director of Parks and Recreation Hobson, Director of Economic Development Martin, Chief of Police Birk-absent, City Planner Sheriffabsent, Director of Public Works Adams, Deputy Clerk Johnson, and City Clerk Ramel.

Pledge of Allegiance: Mayor Jett led the Pledge of Allegiance.

Public Comment: None

Consent Agenda: Motion to Approve the following Consent Agenda Items as presented:

- B. Resolution Establishing the Schedule of Meetings of the McHenry City Council for the Period of January 1, 2026, through December 31, 2026 (Deputy Clerk Johnson)
- C. Accept the Offsite Public Improvements for the Fox Meadows Development, and Approve a Reduction of the Current Bond and Allow Cunat Inc. to be Placed on a Two-Year Maintenance Bond for the Public Improvements (Director Polerecky)
- D. Authorize the Mayor to Sign the Fifth Addendum to Tolling Agreement with the other Designated Parties for the Purpose of Tolling the Video Gaming Push Tax through April 30, 2026 (Attorney McArdle)
- E. October 6, 2025 City Council Meeting Minutes
- F. Issuance of Checks in the amount of \$666,857.21
- G. As Needed Checks in the amount of \$1,366,987.69

A motion was made by Alderwoman Miller and seconded by Alderman Doherty to approve the Consent Agenda Item as presented: Roll Call: Vote: 6-ayes: Alderwoman Baehne, Alderman Glab, Alderman Doherty, Alderwoman Bassi, Alderman Davis, Alderman Koch-absent, Alderwoman Miller. 0-nays 0-abstained. Motion carried.

\*Clerk's note: This item was pulled by Alderman Glab, as he asked if Mayor Jett could please read the proclamation during the meeting.

A. Proclamation – Month of November as United States Marine Corps Month in the City of McHenry (Deputy Clerk Johnson)

A motion was made by Alderman Gab and seconded by Alderman Davis to approve the Consent Agenda Item as presented: Roll Call: Vote: 6-ayes: Alderwoman Baehne, Alderman Glab, Alderman Doherty, Alderwoman Bassi, Alderman Davis, Alderman Kochabsent, Alderwoman Miller. 0-nays 0-abstained. Motion carried.

#### **Individual Action Item Agenda**

#### A. Red Rose Banquets Liquor License

Motion to Approve a Class A Liquor License for Red Rose Banquets LLC, Located at 1501 S IL Route 31 (Deputy Clerk Johnon)

A motion was made by Alderman Doherty and seconded by Alderwoman Miller to approve the Individual Agenda Item as presented: Roll Call: Vote:6-ayes: Alderwoman Baehne, Alderman Glab, Alderman Doherty, Alderwoman Bassi, Alderman Davis, Alderman Koch-absent, Alderwoman Miller. 0-nays 0-abstained. Motion carried.

#### **B. TIF Professional Services Agreement**

Motion to authorize the Mayor to execute a Professional Services Agreement with Teska Associates, Inc. for the Completion of a TIF Eligibility Study for the Proposed Areas Identified in Exhibit A, in an Amount not to exceed \$20,000 (Director Martin)

Alderman Glab opened by stating that TIFs are another way of taxing property taxes. It is not a lot of money for residents, but it affects the residents, because somebody must pay the money. We need to have a good vision of what we want to see before the TIF is created. He thinks it is way too large and not a good vision to see what we would like.

Alderwoman Bassi is not in support of the TIF zone because it does not satisfy the but-for requirements. Building improvements and developments are currently happening in both proposed TIF zones without the use of TIF financing; therefore, the but-for requirement is not being met. Alderwoman Bassi also stated that she would like to see the downtown TIF zone ended early, since it has been a TIF zone for 23 years, and it is no longer blighted, with \$900,000.00 yearly that should be paid to the taxing bodies and not kept in the downtown TIF zone.

Mayor Jett commented that this discussion has been brought back with most of the Council already in agreement to do so. He also asked Director Martin to expand on this, and it was

commented that this is the first step to see what buildings are eligible or/cannot be used in the TIF.

Alderman Doherty stands by it. Needed in both areas, the Kmart building has been vacant for years. The whole areas need a refresh.

Alderwoman Miller supports the TIF on both sides, etc.

A motion was made by Alderwoman Baehne and seconded by Alderwoman Miller to approve the Individual Agenda Item as presented; Roll Call: Vote:4-ayes: Alderwoman Baehne, Alderman Doherty, Alderman Davis, Alderman Koch-absent, Alderwoman Miller. 2-nays Alderman Glab, Alderwoman Bassi, 0-abstained. Motion carried.

#### C. Oaks at Irish Prairie Unit 2

Motion to Pass an Ordinance to Enter into a Development Agreement with ADL & Associates for the Development of Unit 2 in the Oaks at Irish Prairie Subdivision (Director Polerecky)

Director Polerecky explained the project. Andy Tegan, ADL Associates, local since 2025, land development specialist. Would complete the remaining infrastructure. Contract purchaser, Barriville Road turning lane improvements will also be included, during 2026. There will not be any amendments needed with the HOA. The process has been started for the design process with ComEd and others. 350-450K is the price point, consistent with the last two years of data, and each home will have a basement. Wanted to thank the staff for the development agreement approvals and all in the background. The staff has been great to work with.

Alderman Glab wanted to know what type of siding, regarding thickness, is in the weeds question per the developer, which will need to be confirmed. The windows were confirmed of vinyl, in the color white.

Alderman Davis wanted to know if there is an ordinance for standard clean-up. It was confirmed that it is per Director Polerecky.

Alderwoman Miller has worked with them as builders and is strict that the same combination is not used continuously. It has been nice to see that there is variance with Ryan Homes.

Alderwoman Bassi is glad to see new homes being built, not putting excess strain on roads, schools, etc. When doing her research on Ryan Homes, she discovered they have a history of requiring homeowners to sign a non-disclosure agreement before they will address warranty claims related to faulty or defective home construction. This information is from a 2019 USA Today News Network report.

**Public Comment:** is Marty Kampmeier , resident, wanted to know if there are any SSAs involved in fixing the unit. There is not.

A motion was made by Alderwoman Miller and seconded by Alderman Davis to approve the Individual Agenda Item as presented: Roll Call: Vote:6-ayes: Alderwoman Baehne, Alderman Glab, Alderman Doherty, Alderwoman Bassi, Alderman Davis, Alderman Koch-absent, Alderwoman Miller. 0-nays 0-abstained. Motion carried.

#### D. Shamrock Farms Park Playground Replacement

Motion to Approve the Purchase of New Playground Structures for Shamrock Farms Park from Team Reil, Inc., for \$157,415, to be Allocated from the Asset Maintenance and Replacement Fund in FY2026/27 (Director Hobson)

Alderwoman Bassi stated that she will be voting yes on both the park motions, but had some questions. Currently, if the \$1.3 million in the Developer Donation Fund, assuming that the OSLAD grant is awarded, it would leave a balance of \$700,000, and she wanted to know why the funding is not coming out of developers' fees. Over the last five years, the fund has paid for playground equipment and repairs at Pebble Creek, Knox Park, and Galway Park.

Director Hobson explained that these funds are typically not used for that due to the state statutes that address operational maintenance protocol. The Developer Funds are not used in parks for maintenance; however, the Galway Park was new, so it was used for that. Also mentioning the home rule community as well. The funds are reserved for expanded or new projects, typically.

Alderwoman Bassi also wanted to know what the plan is for the parks that are still in need of improvement and how the remaining \$700,000 in the Developer Fund would be used.

Director Hobson stated that there are no specifics at this time, but some things are being worked towards. He also stated that he likes to be protective of the fund and financially responsible for the fund.

Alderwoman Bassi wanted to know if those new opportunities could potentially be land purchases. Per Director Hobson, there are none to consider currently, but a possible land donation is under discussion.

To recap, Alderwoman Bassi would like the Council to be kept informed on those projects since there are so many current parks that could use some freshening up with the remaining money. It was agreed by Director Hobson that some of the parks are due for a freshening up.

In conclusion, Alderwoman Bassi stated that she is a huge advocate for safe and usable parks, and in turn, Director Hobson stated he is as well. Regarding the project, such as Miller Point, it was commented that the project utilized several funds to be able to get the project completed, such as the General Fund, TIF, and Developer Funds.

Alderman Doherty mentioned some of the vandalism and wanted to know if some cameras would be placed to help with that. There are some areas where there is connectivity, but in

some parks, such as the skate park, there is an opportunity for better connectivity.

Alderwoman Miller wanted to know if the new park equipment has a longer life than the old park equipment, since there is much being put together. Director Hobson stated that there is more wear and tear from the sun, and they are made of plastic, which cannot be used with metal anymore due to safety standards. It is inspected regularly to check the parks. Thank you to the Sourcewell discounts as well for the parks.

Alderman Glab wanted to bring up the financing for the park ...

A motion was made by Alderman Doherty and seconded by Alderwoman Baehne to approve the Individual Agenda Item as presented: Roll Call: Vote:6-ayes: Alderwoman Baehne, Alderman Doherty, Alderwoman Bassi, Alderman Davis, Alderman Koch-absent, Alderwoman Miller. 1-nays-Alderman Glab. 0-abstained. Motion carried.

#### E. Althoff Park Playground Replacement

Motion to Approve a Proposal from Cunningham Recreation for the Replacement of Playground Equipment at Althoff Park for \$74,961.80 (Director Hobson).

Alderman Glab stated he cannot support this item for the same reasons as the item above.

A motion was made by Alderwoman Baehne and seconded by Alderman Doherty to approve the Individual Agenda Item as presented: Roll Call: Vote:5-ayes: Alderwoman Baehne, Alderman Doherty, Alderwoman Bassi, Alderman Davis, Alderman Koch-absent, Alderwoman Miller. 1-nays, Alderman Glab. 0-abstained. Motion carried.

#### **Discussion Item Agenda**

#### **Staff Reports**

Provided the 1st meeting of each month.

Director Adams wanted to provide an update regarding the water main shutdown. The work was done in under two hours instead of the four hours that they had explained to the businesses, and commended them for a job well done, and to the contractor.

Mayor's Report: None

**City Council Comments: None** 

**Executive Session if needed:** Not needed

Adjourn: A motion was made by Alderman Glab and seconded by Alderwoman Miller to adjourn the meeting at 7:41. Roll Call: Vote: 6-ayes: Alderwoman Baehne, Alderman Glab, Alderman Doherty, Alderwoman Bassi, Alderman Davis, Alderman Koch-absent, Alderwoman Miller. 0-nay-, 0-abstained. Motion carried.

Mayor Wayne Jett

## AGENDA SUPPLEMENT

**TO:** Mayor and City Council

**FOR:** October 20, 2025 Regular City Council Meeting

**FROM:** Douglas Martin, Director of Economic Development

RE: Approval of a Professional Services Agreement with Teska Associates, Inc. to

conduct a Tax Increment Financing (TIF) Eligibility Study for the two designated

areas included on attached Exhibit A

ATT: 1. Map of two proposed Tax Increment Financing (TIF) Areas connected to the existing Downtown TIF.

2. City Council Minutes dated February 18, 2025

3. City Council Minutes dated May 5, 2025

4. Request for Proposals for Tax Increment Financing Eligibility Study

5. Proposal submitted by Teska Associates, Inc. for TIF Eligibility Analysis

6. Professional Services Agreement between the City of McHenry and Teska

Associates in an amount not to exceed \$20,000

#### **Background**

Attached as **Exhibit A** is a map depicting two *proposed* Tax Increment Financing (TIF) Districts, along with the existing Downtown TIF District. Together, the proposed TIFs encompass approximately 353 parcels.

- **Northern Richmond Road TIF:** Extends south from Pearl Street to Blake Boulevard, west to Blake Boulevard, and east to the Oaks of McHenry.
- Southern and Western Route 120/Main Street TIF: Extends west of Millstream Drive to just west of Ringwood Road, along both sides of Illinois Route 120, including Main Street, and south to Mill Street and Front Street (Illinois Route 31), continuing just south of Lillian Street and north to the northern boundary of Althoff Park and City Center Business Park.

These boundaries are preliminary and may be adjusted slightly during the eligibility review process.

On February 18, 2025 (minutes attached), staff presented an overview of potential TIF districts to the City Council, identifying areas where additional districts could be beneficial to the City of

Department of Economic Development 333 Green Street McHenry, Illinois 60050 Phone: (815) 363-2110 Fax: (815) 363-2128 www.cityofmchenry.org

McHenry. Following Council consensus, staff was directed to engage a consultant to determine whether these proposed areas would qualify for TIF designation.

On May 5, 2025 (minutes attached), Pete Iosue from Teska Associates, Inc., a planning and landscape architecture consulting firm with offices in Evanston and Plainfield, provided a preliminary presentation to the City Council regarding the potential viability of the proposed TIF areas. Following this presentation, the Council directed staff to issue a Request for Proposals (RFP) for TIF eligibility studies.

The RFP was finalized and posted to various professional websites on June 18, 2025, with a submittal deadline of August 15, 2025. Based on consultant feedback, the initial proposed TIF boundaries—particularly along the Route 120/Main Street corridor—were slightly modified and no longer extend as far south as Bull Valley Road.

#### **Analysis**

Staff received six proposals in response to the RFP, with eligibility study costs ranging from \$20,000 to \$58,000. Director Martin prepared a summary of all submissions, and following a review with Administrator Ostrovsky, three firms were eliminated based on factors including cost and firm location.

References were then contacted for each of the three remaining firms, and the proposals were distributed to an internal review committee consisting of:

- Deputy City Clerk/Assistant to the City Administrator Johnson
- City Planner Sheriff
- Economic Development Director Martin
- City Administrator Ostrovsky

The committee reviewed and discussed the remaining proposals, ultimately narrowing the selection to two firms. Final interviews were conducted with both firms, after which the committee unanimously selected Teska Associates, Inc. to move forward and recommend the award of the contract. Teska Associates submitted the lowest-cost proposal and received positive recommendations from all parties City staff contacted.

The proposed scope includes completion of TIF eligibility studies for both the Richmond Road and Route 120/Main Street areas at a not-to-exceed cost of \$20,000, billed at an hourly rate of \$155. The eligibility analysis is anticipated to take 45–60 days, concluding in early December 2025.

Department of Economic Development 333 Green Street McHenry, Illinois 60050 Phone: (815) 363-2110 Fax: (815) 363-2128

www.cityofmchenry.org

If either or both areas are found to qualify for TIF designation, staff will return to the City Council to request authorization for additional services included in Teska's proposal, including preparation of the Redevelopment Plan, Housing Study (if required), Legal Description, and facilitation of the public hearing and adoption process.

The subsequent phase would include an additional not-to-exceed cost of \$20,000 if the Council opts to move forward with both new TIF areas. This amount would be reduced to \$15,000 if no Housing Impact Study is required. A Housing Impact Study must be completed if either of the following applies:

- 1. The redevelopment plan results in the displacement of 10 or more inhabited residential units; or
- 2. The project area contains 75 or more inhabited residential units, and the City cannot certify that fewer than 10 units will be displaced.

The eligibility study cost will be funded through the General Fund (Administration).

#### Recommendation

Staff recommends that the City Council approve and authorize the Mayor to execute the attached Professional Services Agreement with Teska Associates, Inc. for the completion of a TIF Eligibility Study for the proposed areas identified in Exhibit A, in an amount not to exceed \$20,000.

Exhibit A
Proposed New TIF Districts and Existing Downtown TIF District

# MINUTES

#### REGULAR CITY COUNCIL MEETING

# Tuesday, February 18, 2025, 7:00 p.m.

# City Council Chambers, 333 S Green St, McHenry, IL 60050

# **Discussion Item Agenda**

A. TIF Districts

Administrator Ostrovsky presented the TIF District Financial discussion.

#### Why So Many Vacancies

- Obsolete big-box stores
- Non-conforming lots
- Legacy industrial uses
- Disinvested Property owners
- Economic Environment

#### Why a strong commercial base supports the entire community

- Offsets residential property taxes
- Offers employment opp.
- Creates spaces for small businesses
- Allows residents to spend tax dollars on their own
- Helps create a place where businesses want to locate and residents want to live.

#### **Tax increments Financing**

- Defined areas for growth and reinvestment
- Fills the financial gap for developers, making development possible.

There was a visual added defining the TIF, how it works, and the facts of it.

There are TIF requirements, and the allowable uses for the funding were also explained.

#### **Downtown TIF**

- Created in 2002 for 23 years
- Recently extended to 2037
- 900,000 a year for TIF-eligible projects

Downtown Tif Projects were broken down from 2019-2025, per request by Alderwoman Bassi. For example, Phases I-IV of the Riverwalk were included with this.

There is nothing final regarding the TIF; this is the first conversation. A visual of the maps was brought in front of the Council of what the TIF could be like. It takes time to create a TIF. 3 general areas: Richmond Road, West IL Rte. 120, and Main Street.

There are no plans at this time; this is just a discussion, as emphasized by the Administrator Ostrovsky.

The TIF Creation Process was covered next.

This presentation went on for some time.

Alderman Glab wanted to know why there is no discussion on how this will affect the taxpayer. He asked Finance Director Lynch what the taxes would be on an average of a 300,000 home, for example. It will be a hard sell without a total concept in mind.

This conversation went on for some time, ending with a decision to do a Committee of the Whole meeting with a professional overview from an outside consultant to help explain the TIF.

# MINUTES

# REGULAR CITY COUNCIL MEETING

# Monday, May 5, 2025, 7:00 p.m.

## City Council Chambers, 333 S Green St, McHenry, IL 60050

# **Discussion Item Agenda**

#### A. TIF Presentation

Director Martin talked about the Feb 11th City Council meeting and the proposed TIF districts. The consensus at the end of the meeting was that staff would work with a consultant to see how feasible it would be. We were fortunate to have a presentation from Pete from Teska Associates.

Reviewed what a TIF is (Tax Increment Financing)TIF is not new or unique to Illinois Tax Increment Financing Goals
TIF Funding and what it is used for
How TIF Generates Revenue
Blighted vs. Conservation
Improved vs. Unimproved

#### Criteria:

- 1. Dilapidation
- 2. Obsolescence- Structural / Economic
- 3. Deterioration
- 4. Illegal Uses
- 5. Below is the Standards code
- 6. Excessive Vacancies
- 7. Lack of Ventilation
- 8. Inadequate Utilities
- 9. Excessive Land Coverage
- 10. Deleterious Land Usage
- 11. Environmental Remediation (EPA)
- 12. Lack of Planning
- 13. Declining in EAV

Eligibility plan & Redevelopment plan would be the next steps moving forward, usually done in a step plan. Following that, notify taxing districts, hold a public hearing, and notify businesses with certified mail.

Administrator Ostrovsky gave a summary and discussed route 31 improvements and how that may be something that needs to be held off on. I wanted to know what areas would be of interest for the TIF. Afterward, an RFP would then be done after and move on from there. This discussion went on for some time. Most of the Council wanted to move forward and then have the committee of the whole.

# CITY OF MCHENRY ECONOMIC DEVELOPMENT DEPARTMENT

# **REQUEST FOR PROPOSALS**

# TAX INCREMENT FINANCING CONSULTANT SERVICES

Response Due Date: August 15, 2025

Submit Proposals to:
Douglas Martin, Director of Economic Development
333 S. Green Street
McHenry, IL 60050
dmartin@cityofmchenry.org

#### **OVERVIEW**

#### **Request for Proposals**

The City of McHenry (Community Profile attached) (hereinafter "City"), located in McHenry County, Illinois, is seeking proposals from qualified firms for work related to the potential creation of Tax Increment Financing (TIF) Districts, under Illinois State Statute 65 ILCS 5/11-74.4, to promote the development and revitalization of two areas: Both of the proposed TIF areas connect to the City's existing Downtown TIF District.

Specifically, the City is considering the financial and land use development feasibility of establishing TIF Districts in two geographic areas within the City, as illustrated in the maps included in this link:

https://mchenry.maps.arcgis.com/apps/mapviewer/index.html?webmap=c0ad8a9eb3d548e2a48 59e9db1a602fd.

Generally, the TIF areas to be considered are described below. Individual parcel data information is also included with this proposal.

#### **Geographic Areas to be Evaluated:**

- 1. Richmond Road Corridor and McCullom Lake Road—Includes the McHenry Plaza, McHenry Commons, McHenry Grounds, and former Wal-Mart shopping centers, and adjacent properties along McCullom Lake Road extending west to the intersection with Blake Road and east to the extent of the McHenry Plaza and McHenry Commons Shopping Centers and then south along Richmond Road, connecting to the City's existing Downtown TIF District at Richmond Road and Pearl Street.
- 2. Main Street, West Illinois Route 120 Corridor and Elm Street Includes Downtown Main Street south to Mill Street, east past Front Street and west past Crystal Lake Road, taking in Boone Creek Plaza and Market Place Shopping Centers and various commercial properties located along Illinois Route 120 to just west of Ringwood Road, and also east along Elm Street past the intersection of Illinois Route 120 and Illinois Route 31 (South Front Street), extending south along Front Street immediately south of Lillian Street and to the east along Elm Street, connecting to the City's existing Downtown TIF District along Elm Street on the north side at Verlo Mattress west of Millstream Drive and on the south side immediately west of Third Street.

#### **SCOPE OF SERVICES**

- Review potential TIF qualifying factors and document a TIF qualification factor file.
- Recommend and refine boundaries for the TIF District(s) in accordance with statutory requirements.
- Investigate the desirability, feasibility, and timing implications of using TIF as a funding mechanism. Confirm the rationale for utilizing TIF.
- The City requests a detailed timeline, cost breakdown, and an explanation of whether a housing study is necessary for either or both areas under consideration.
- Identify and recommend the most economical TIF structure and prepare estimates of potential tax increment financing revenues and supportable public debt.
- Review development/redevelopment costs and assess impacts on affected taxing districts.
- Attend 2-3 meetings (virtual or in-person), including public presentations as necessary, to discuss findings.

#### **DELIVERABLES**

- Provide a cost/benefit analysis illustrating how the City can maximize incremental financial benefit relative to associated costs for each recommended TIF District.
- Provide the most economical TIF structure and estimates of potential TIF revenues and supportable public debt.
- Provide impacts on affected taxing districts.
- Provide a housing study relocation plan if required.
- Prepare a TIF Eligibility Report and supporting documentation to substantiate eligibility findings.
- Provide an updated boundary area for each of the two TIF District areas in accordance with statutory requirements.

#### **PROPOSAL PACKAGE**

Proposals must include the following:

- a. Cover Letter Indicating interest and signed by an authorized representative.
- b. **Statement of Understanding** Including project understanding and awareness of time sensitivity.
- c. **Scope & Timeline** Outline of how the Consultant will complete the work, including timeline.
- d. Fee Proposal Include a not-to-exceed professional service fee broken down by task. Include

hourly rates for all employees assigned and detail all reimbursable expenses.

- e. **Staff Background** Names, roles, professional experience, hourly rates, and estimated hours of those assigned to the project.
- f. Firm Background General background on the Consultant.
- g. **Financial Stability & Insurance** Proof of insurance and a statement of financial stability to ensure performance over the project duration.
- h. **References** A list of communities for which the firm has conducted a TIF Eligibility Study similar in scope. Include contact names, emails, and phone numbers.

#### **SUBMITTING A PROPOSAL**

Consultants intending to submit a proposal must do so to the City no later than **5:00 p.m. on August 15, 2025**. Proposals may be submitted:

- By email to Douglas Martin at: dmartin@cityofmchenry.org, or
- By sending or dropping a sealed envelope off, Attn: Douglas Martin, 333 S Green Street, McHenry, IL 60050

#### **RELEVANT DOCUMENTS**

Additional City information and resources are available at <a href="https://www.cityofmchenry.org">www.cityofmchenry.org</a> and <a href="https://www.mchenry2050.com">www.mchenry2050.com</a>, including:

- 1. City of McHenry Zoning Ordinance
- 2. McHenry Vision 2050 Comprehensive Plan
- 3. McHenry Vision 2050 Downtown Plan

| I hereby certify that the thereto, is true and accurate to | e information contained in this Proposal, including the best of my knowledge. | ; all attachments |

### City of McHenry - Community Profile

The City of McHenry is located in east-central McHenry County, Illinois, along the Fox River. It is approximately 55 miles northwest of downtown Chicago, 35 miles from O'Hare International Airport, 50 miles south of Milwaukee, and 45 miles east of Rockford. Encompassing 15 square miles, the City is centered around two major state highways, Illinois Route 31 and Illinois Route 120.

McHenry is home to approximately 28,117 residents, with 11,228 households averaging 2.4 persons per household. The median household income is \$83,651, and the median age is 43.1. Among residents aged 25 and older, 26.9% hold a bachelor's degree or higher. The City's three largest employment sectors are Healthcare (19.9%), Manufacturing (11.8%), and Retail Trade (11.6%).\*

#### **Real Estate Overview**

Despite broader economic uncertainties, McHenry's real estate market has remained resilient, with steady activity. Inventory has been limited over the past year, leading to modest price increases, while higher mortgage rates have discouraged some buyers. However, competitively priced, move-in-ready homes continue to sell quickly. As mortgage rates decline or stabilize, McHenry is well-positioned to attract renewed interest, particularly from individuals relocating from more urban areas.

The median home sales price is \$292,680—up 10.4% over the past 12 months. Homes currently average 31 days on the market, compared to 17 days last year, yet it remains a sellers' market. In 2024, there were 536 total residential sales in the 60050 ZIP code.\*\*

#### **Economic Base and Employment**

McHenry supports a robust industrial and service economy, with more than 70 businesses located in various business parks throughout the City. Major employers include:

- Northwestern McHenry Hospital
- McHenry School District #15
- Follett Content
- Medela
- First Brands/Brake Parts
- McHenry School District #156
- City of McHenry
- Jewel
- Meijer
- Pioneer Center for Human Services
- Fabrik Molded Plastics
- Superior Felt and Filtration

• McHenry Township Fire Protection District

#### **Retail and Commercial Corridors**

McHenry features a wide variety of retail, office, and service-oriented businesses located along Elm Street (IL Route 120), Richmond Road (Route 31 North), and Front Street (Route 31 South). The North Richmond Road corridor serves as a retail destination for both northern Illinois and southern Wisconsin, with a mix of major national retailers and smaller brand-name stores.

#### **Downtown and Riverwalk District**

One of McHenry's defining features is its charming downtown, anchored by Green Street, Riverside Drive, Main Street, and the Riverwalk District. Spanning from the Fox River to the west side of the Union Pacific Railroad tracks, downtown McHenry offers a mix of retail, dining, services, residences, and recreational spaces, combining historic charm with modern amenities.

Recognizing downtown as the economic heart of the community, the City has invested in revitalization efforts, including the creation of a downtown Tax Increment Financing (TIF) District and phased development of a scenic Riverwalk that extends through downtown shopping areas.

#### Education

Education is a cornerstone of McHenry's community strength and appeal. McHenry Community High School District 156 and McHenry County College collaborate to offer advanced learning opportunities such as the *Project Lead the Way* Career Pathways. District 156 features a 70,000-square-foot Center for Science, Technology, and Industry, 40 Advanced Placement and Dual Credit pathways, and over 80 athletic teams and extracurricular activities—preparing students for a dynamic future.

In 2023, McHenry School District 15 received multiple accolades from the National School Public Relations Association (NSPRA), including:

- Award of Excellence Video (Produced In-House) for their Strategic Plan Infomercial
- Award of Merit Strategic Plan Pamphlet
- Award of Excellence Job Fair Brochure

Additionally, Board of Education President Chad Mihevc was honored with a **Distinguished Service Award of Excellence** from the Illinois Chapter of NSPRA for his dedication to transparent, two-way communication and advocacy for public education.

#### Parks, Recreation, and Natural Assets

McHenry is a premier recreational destination in the region, offering access to the Fox River, Moraine Hills State Park, Glacial Park Nature Preserve, and Miller Point Park and the McHenry Riverwalk in downtown McHenry. The City maintains nearly 40 parks and 650 acres of public open space. The 18,200-square-foot Recreation Center, located just west of the City's Municipal Center, offers fitness and personal training services to residents of McHenry and surrounding communities.
